EVAPORATIVE HUMIDIFIERS

B 120 & B 125

*Healthy and value-preserving
room climate!*

THE COMPACT ONES BY BRUNE!

With the [B 120](#) and the [B 125](#), BRUNE presents its compact all-rounders. Both appliances are supplied ready to plug in and impress with their pleasantly quiet and energy-efficient operation. Their low weight enables easy transport and their generous water supply of over 10 liters makes them ideal for continuous operation.

By employing the natural principle of evaporation, over-humidification, precipitation and limescale deposits are being avoided.

The air is passed through the evaporation filter, humidified and additionally cleaned of coarse dust particles. The humidifiers [B 120](#) and [B 125](#) thus not only protect valuable furnishings from excessively dry air, but also ensure physical well-being in living, working and office spaces.

Thanks to their compact size and in conjunction with BRUNE's external hygostat the [B 120](#) and the [B 125](#) are ideally suited for use and installation in showcases, sales counters, cabinets and humidors.

B 120

Proven and convenient!

Thanks to its intelligent modular design, it is easy and safe to use and supplies living and office spaces up to max. 130 m³ with pleasant humidity. The evaporative humidifier is also a competent partner for professional tobacco storage (70% RH) in humidors up to 6 m³.

You will find the water level indicator on the front and the on/off switch, as well as the water filler flap, located on the top of the **B 120**. It is therefore ideally suited for installation in display cases, sales counters, cabinets and humidors. This occurs completely ozone-free harmless to health.

B 125

Powerful and quiet!

In rooms up to a maximum of 140 m³, the B 125 ensures perfect humidity and fits harmoniously into any ambience thanks to its attractive design.

In contrast to the B 120, the water level indicator of the B 125 is located on the top of the humidifier and the water filler flap, as well as the on/off switch, can be found on the side.
